Screen 17

In this case, the candidate will have to retry the payment process using the "**Make Payment**" option as before in **Screen 13**. In some cases it may be that the payment is deducted from your Debit/Credit Card or Bank Account but the details are not updated in the database due to internet disconnection or any other technical issues, then the user can click the "**Verify Payment**" button which in turn will fetch the status of the payment and update accordingly.

Finally if the payment is successful, then the user will be shown the "**Download Application**" button using which the candidate has to download a copy of the Application which will also be combined with all the certificates uploaded.

This completes the Online Application process for Scouts and Guides quota.
